

GRAPPA Corporate Member Benefits Summary 2026

Your Partnership Starts Here

GRAPPA (Group for Research and Assessment of Psoriasis and Psoriatic Arthritis) brings together leading researchers, clinicians, and industry partners to advance research and education in psoriatic disease. Corporate Members play a vital role in fostering collaboration, funding innovation, and participating in strategic dialogue with global experts.

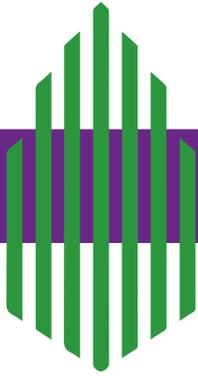

GRAPPA's 2026 Corporate Memberships are available at six levels. Each tier offers tailored benefits designed to meet your strategic goals and maximize your visibility and engagement with the GRAPPA community.
